YOU CAN BE A STAR!

The Heider Center: A Recent Past . . . to a Great Future

In 2004, thanks to support from the tax payers of the West Salem School District and a generous gift from Marie Heider, the Marie W. Heider Center for the Arts was created. A not for profit organization the Heider Center is managed by the Heider Center Arts Board, Inc. - forward thinking volunteers from the surrounding community who give generously of their time and talent to bring top notch performing and visual arts to the Coulee Region.

The Heider Center is located at 405 E. Hamlin St. on the west side of the West Salem High School complex. To bring quality, affordable performances to the community the Heider Center depends on support from individuals like you.

Excellent Theatre Starring . . . You!

From September through May the Heider Center offers a variety of music, theatrical productions and art exhibits. As part of the Visual Arts Series, regional artists are featured in the art gallery. Some of the best shows in the Midwest are offered in the Mainstage Series. Shows which educate and entertain, perfect for school groups and children of all ages, are featured in the Educational Series. Spotlight Performances round out the quality programming at the Heider Center.

The success of these productions depends largely on you. We work very hard to keep ticket prices affordable for the whole family. To do this, we need your financial support.
